

Salinas & Machalilla N.P.

This program will permit you to observe birds from Salinas Beach along the southern part of Spoundylus Route all the way to Machalilla N.P. and its sites.

Day 1: 07:00 am departure from Guayaquil to Salinas. You will visit the salt pools, La Chocolatera Cliffs and Farallon Dillon. Afterwards you will drive north through several fishing villages to Chongon Forest where you will enjoy dinner and lodge overnight.

Day 2: After an early breakfast you will depart to Ayampe River bank and Agua Blanca Dry forest. Here it is possible to refresh in the sulfur natural lagoon.

Box lunch and return to your hotel for dinner.

Day 3: After an early breakfast you will visit Chongon forest at Dos Mangas.

Return to your hotel, check out and lunch.

Return to Guayaquil.
